Surf 50-in Pearlized Antique Brass Table

SKU: 801508

Product Details

Description:

The Surf Collection is inspired by the oval shape of a surfboard. The steel base features two legs that extend up from a sculptural oval base that is finished in a luxurious Pearlized Antique Brass finish. This unique base will not block the flooring patterns that are found on the floor underneath. The White Quartz stone top has an under toned shimmer effect and is easy to clean.
