Product Details

Description:

Bring art, light, and movement together in a captivating display with the Spettro foyer chandelier. Dozens of multi-colored dichroic glass discs are suspended by strong, thin stainless steel cable, creating a light and airy feel that can seamlessly blend with existing room styles or be a playful statement piece with its many colors and iridescent, bubble-like look. The downlights and Polished Chrome (CH) finish subtly support in the background and allow this fixture to be as much a sculptural installation as it is a source of light.

Specifications
