Espille 10-in 1 Light Satin Nickel Wall Sconce

SKU: 4651SN

Product Details

Description:

The Espille Collection is one of our most diverse collections. If the Bronze finish is chosen with Kalco's unique shade, then the look is rustic, warm and reminiscent of catherdal candlight chandeliers. If the Satin Nickel finish is chosen with the White Cased Glass, then the look is decidely Art Deco and modern. Either way, the Espille Collection is sure to add drama to any space.
