## Product Details

### Description:

Infuse your interiors with dramatic elegance and retro charm with the stunning Verde collection, featuring a True Satin Brass (STB) finish with your choice of either fluted green or magenta glass. Each richly textured glass dish cradles a glowing orb bulb, casting a warm, inviting light and creating a play of color and shadow. The overall composition and decorative chain highlight an exquisite balance between vintage glamour and modern sophistication, perfect for dining rooms, grand entryways, or boutique hospitality settings. Whether illuminated or admired unlit, this collection captivates with its bold color and refined craftsmanship.
